## The Advantages of Elite Forex Trading Signals

I wanted to make a service where the results would be good and consistent, where you would get the alerts early and where there would be no need to sit in front of the computer. After a year of dedicated work and testing I came up with a fully developed solution.

The table below show the results that are possible with Elite Trade Signals.

Year	Trading Capital	Profit (Yearly)	Income (Total)
1	\$ 100.00	\$ 120.00	\$ 220.00
2	\$ 220.00	\$ 264.00	\$ 484.00
3	\$ 484.00	\$ 580.80	\$ 1,064.80
